To

T.E. Jayarama Aiyar, Esq., B.A., B.L.,
Secretary to the Government of His Highness
the Maharaja of Mysore, Revenue Department,
Bangalore.

Sir.

With reference to your D.O.No.3053/333-22 of the 15th instant in re: subject No.75 of the Dasara Session of the Representative assembly of 1922 asking for the grant of the marginally noted -

1. To keep in Savings Bank deposit, the income derived from the temple.
2. To sanction an expenditure not exceeding Rs.50/- in anticipation of the Deputy Commissioner's approval in urgent circumstances.
3. To sanction an establishment with contingent charges not exceeding Rs.10/- a month to do the work decided by the Committee.
4. To grant leave to the servants, to appoint substitutes, and to fine them to the extent of annas four.

additional powers to Dharmadarsis of Major Muzrai Institutions, I have the honor to state that till now only the Deputy Commissioners of Tumkur, Hassan, Kadur and Chitaldrug Districts have furnished their views in the matter. The Deputy Commissioner, Kadur District, is not in favour of granting these additional powers in general to all the institutions, while the Deputy Commissioner, Hassan District, says that only item No.4 may be conceded but not the power to fine. The Deputy Commissioner, Tumkur District opines that Dharmadarsis may be empowered to keep in Savings Bank in the name of the Chairman the income of temples, withdrawals being always made under the orders of the Deputy Commissioner. He is also in favour of granting item No. 4, the order of the chairman of the Committee being subject to the

the approval of the Amildar. The Deputy Commissioner, Chitaldrug District, is of the opinion that items 2 and 3 may be conceded with certain limitations, i.e., Rs.20/- in the case of expenditure in urgent cases and only temporary in the case of establishment for works and says that items 1 and 4 are already provided for in the A set of rules under Section 15 of the Muzrai Regulation, which I doubt. The replies of the other Deputy Commissioners to whom urgent reminders have been sent are awaited.

2. In my opinion the power to keep income in Savings Bank is best not given as the Government will have to pay interest on all the savings of the institutions; similarly that of sanctioning additional establishment. The power of sanctioning an expenditure not exceeding Rs.50/- in urgent circumstances in anticipation of sanction may be given only if the Amildar cannot be referred to in time and delay means damage.

That of granting leave to minor servants provided the period is not more than one month, power to appoint substitutes and to fine to the extent of annas four may be given in case the Dharmadarsis are unanimous on the points considered by them.

3. The reports received from the four Deputy Commissioners -- referred to above are also submitted herewith in original.

I have the honor to be,

S i r,

Your most obedient servant,

Assistant Commissioner,
for Muzrai Commissioner.

Office of

Tumkur District

Dated Tumkur, the 11th April 19

From

Md.Zahiruddin Mecci, Esquire, B.A.,

Deputy Commissioner, Tumkur District, Tumkur.

To

K.Chandy, Esquire, B.A.,

Muzrai Commissioner in Mysore, Bangalore.

Sir,

With reference to your no.C.770 of 22-23 dated the 22nd November 1922 re: the grant of certain additional powers to Dharmadarsis of major Muzrai institutions, I have the honour to submit my views regarding the powers asked for as follows:-

(a) To keep in Savings Bank Deposit, the income derived from the temples:-

This may be done. The account should be in the name of the chairman of the Committee. But the amount should not be drawn without the orders of the Deputy Commissioner.

(b) To sanction an expenditure not exceeding Rs.50/- in anticipation of Deputy Commissioner's approval in urgent circumstances:-

If meetings are regularly held and copies of the proceedings are submitted then and there pointing out the urgent needs for the expenditure, there would be no necessity for the Dharmadarsis to incur expenditure in anticipation of sanction.

(c) To sanction an establishment with contingent charges not exceeding Rs.10/- a month to do the work decided by the Committee :--

These are very wide powers, which should, properly speaking, be exercised by the executive authority and not vested in an advisory committee like the Dharmadarsis.

(d) To grant leave to the servants, to appoint substitute and to fine them to the extent of annas four:-

The Amildar being the administration head of the Taluk should be vested with these powers. But in urgent cases where arrangements are made for the proper discharge of work the chairman of the Committee may grant leave to the temple servants not exceeding one month and fine them

them to the extent of four annas subject to the approval of the Amildar in both the cases.

I have the honour to be,

Sir,

With reference to your letter No.C.770 dated the 22nd November 1922 calling for my views in the matter of investment of certain powers to the Dharmadarsis of Major Muzrai Temples, which was brought for discussion as subject No.75 of Dasara session of the Representative Assembly of 1922, I have the honor to state as follows:-

1. Necessary scales of expenditure have been drawn up for all the major institutions and the amount allotted for Nityakatle, Hetchukatle, pay of the establishment are drawn every month and disbursed regularly. There appears to be no need to keep the income derived for the temples in Savings Bank Deposit.

2. Regarding the second point the Dharmadarsis are not in a position to know what amount is available at the credit of the Institution for expenditure. Excepting the repairs of the institutions, every other item of expenditure is included in the scale patti. In case, any unforeseen expenditure has to be incurred, sanction may be obtained for the same in time. Therefore there is no need to invest the Dharmadarsis with the power of incurring an expenditure up to 150/- in anticipation of sanction.

3. Regarding the third point the necessary establishment required for each item of service in the Institution is duly considered and provided for. If there is any need for the entertainment of temporary establishment, there will be no

no difficulty in obtaining the sanction of the proper autho to the same. There is therefore no need to empower Dharmadarsees with additional powers for sanctioning temporary establishment.

4. I am in favour of delegating to the Dharmadarsis, the power of granting leave to temple servants not exceeding a month. Regarding the power of fine I am not in favour of any departure from the existing practice.

I have the honor to be,

SIR,

With reference to our letter C.C.770/22-23 dated 1st November 1922, inviting reference to general subject No.75 put up at the last session of the Representative assembly re. the grant of certain additional powers to harmadarais of approved institutions. In reporting my views in the matter, I have the honour to state that with regard to para (a) of the summary of proposals, the income derived from the temple is to be kept in the savings bank deposit, the trustees constituted in each case under the rules will be instructed in the improvements of the institutions which have no income of their own cannot be granted (vide Government order No.25[illegible] dated 2nd April 1921) and as this request cannot be granted.

As regards para (b) re. sanctioning an expenditure not exceeding Rs. 5/- for each religious occasion, the power that is contemplated to be delegated, but is that which is now being exercised by the Deputy Commissioner, and since no delay and difficulty is being experienced till now, I am not in favour of delegating this power to the harmadarais.

With regard to para (c) since a regular scale of income and expenditure has been sanctioned to each of the Major and Minor Institutio

institution, necessity for the delegation of this power is not desired.

As regards para (4) the powers required to have to be exercised by the Amildars or Taluk Survey Officers. They do not belong to a class of members like the Survey Officers.

Sir,

With reference to your letter No.692/Muz.332-22-6 of the 16th November 1923 calling forthe opinion of the Deputy Commissioner, Kolar District in the matter of granting additional powers to Dharmadarsis of Major institutions, I have the honour to state that the Deputy Commissioner says in his letter No.D.2 Dis.822/23-24 dated the 7th instant(copy enclosed) that the delegation of new powers to Dharmadarsis is unnecessary as they are not at present exercising the powers already delegated to them. The Deputy - - Commissioner, Bangalore District, from whom a reply has not yet been received has been reminded again.

(Absent from station)

Letter No.D.2 Dis.822/23-24 dated 7th January 1924 from the Deputy Commissioner,Kolar District, to the Muzrai Commissioner in Mysore.

With reference to your letter No.C.770/22-23 dated tne 26th November 1923, calling for my opinion in the matter of granting additional powers to Dharmadarsis of major Muzrai Institutions in the state, I have the honour to state that it is seen from subject No.75 of Dasara Session of the Representative Assembly 1922, that Mr.T.Ramachandra Rao who mooted the subject, does not specifically state what additional powers are to be delegated to Dharmadarsis.

The Sub Division Officers and the Amildars who were consulted in the matter are not also in favour of delegating any higher functions to Dharmadarsis of Muzrai Institutions, as in many cases they are not at present excercising the powers already delegated to them.

In these circumstances, I think that the delegation of new powers to dharmadarsis is unnecessary and therefore the opinion which I have already expressed in my letter No.D.2 Dis.464/23-24 dated 13th October 1923 will stand.
